Ad Text Expecting mother includes late husband in maternity photo shoot
Through the struggles and pains of losing a dear husband, Nicole Bennett has built courage to take maternity photos with her 4-year-old son. She added old photos of late husband Deonta, but they were slightly faded to appear as a spirit – a symbol of hope that he watches over them.
She also did this as a memorial for her unborn daughter who is due March 25. We commend her for her boldness and we hope that she finds solace in these photos.
